## **GAITED HORSEMANSHIP**

With  
**Larry Whitesell**

**"Gaited horses are comfortable and easy to learn to ride. However, training a gaited horse can be challenging in that we must slowly bring it into a correct frame without jeopardizing the gait."**

### **What you will learn:**

- How to build engagement to improve gait without building resistance
- How you ride affects your horse's balance and gait
- How to develop the horse gymnastically to facilitate relaxation, create flexibility and balance
- How to school the horse in hand and under saddle
- Balanced, light stops
- Lightness and collection

**Priority registration will be given to MWA members.**

**There will be a \$50 non refundable registration fee.**

**All horses must be well broke and mannerly to participate.**
