

## Gaited Horses Naturally

**Jenny Trainor Clinic  
October 6,7,8, 2023  
Princeton, MN  
3MX Arena (Bock, MN)**

**Promoted by Minnesota Walking Horse Association**

Jenny Trainor is a three-star Parelli instructor who has not only won multiple world championships with gaited horses but has won the hearts of her students across the country. Jenny actively shows her Tennessee Walking Horses on a national circuit from Tennessee to Oregon. Come learn about the gait scale, improving biomechanics for horses & humans, and advancing your horse's gait through connection & self carriage. In addition, Jenny excels at tailoring her teaching to the learner's specific needs, so when you register, be sure to tell us what you would like to learn.

Jenny's clinics typically spend time in lecture/discussion as well as online (on the ground) and under saddle. Jenny will demonstrate the techniques and strategies with various participant's horses. If there is something you particularly want to see your horse do--just ask.

### How to Register

- Send a text, message, call, or email for more info.
- Then, send the full clinic fee to Jenny Caulkins Trainor.
